

Clarification on Notification No.10/99 - Calling for Willingness/Relinquishment from all candidates whose name appears in result list

While publishing the result declaration for recruitment to Group-II Services Notification No.10/99, willingness was called only from persons to whom no post was allotted in earlier spells. In case of serving Government Servants the willingness was presumed. In view of the preparation of revised list as per Supreme Court Judgment, the earlier lists submitted by APPSC for the above posts cease to exist. Hence, it is decided that relinquishment/willingness under Rule 7 would be called for from all persons whose hall ticket numbers figure in the revised result list published on 23/12/2016. Hence, all the persons whose hall ticket numbers appear in the revised list shall submit their willingness/relinquishment letter under Rule 7 on or before 02/01/2017.
